Weymouth Township
School District

July 13, 2020

Dear Weymouth Families,

I hope this letter finds you and your family are doing well. As always if there is anything we are able to do to help you PLEASE contact us. Thank you.

Thank you for all that you have done and are doing. This update letter is to provide some information to you regarding our plans to reopen school this September. Of course, this year's school opening will need to meet all Department of Education and State requirements/regulations in place associated with Covid 19.

We have begun our in house reopening committee and core team and are outlining our reopen plan according to the 104 page document we received June 22nd from our Department of Education. Our goal is to complete our plan as soon as possible in order to give all our families as much time as we can to plan on coming back to school. We miss you and welcome you to as safe an environment as we are able to provide. That being said, we are looking for your assistance in providing information, comments, questions or serving on the review committee. If you are interested in serving on the review committee please let us know through the attached survey. We may need to limit participation to a maximum of 12 committee members composed of parents, BOE members and other community members. If we need to limit we will use a lottery system for selection in the three categories noted. Thank you for your continued support and assistance.

We look forward to hearing from you.   Stay safe.   Be well.

Educationally,
Mary Lou Defrancisco
Mary Lou DeFrancisco
Interim Superintendent
