Dear Parents,

I am so grateful to have the opportunity to teach first grade during this upcoming school year. As students make this important transition to elementary school, I look forward to working with you to cultivate a positive classroom experience. It will be an exciting year of growing and learning.

Students will need to come prepared on the first day with a few basic tools for first grade. Please make sure everything is labeled with your child's name on it, and that all items are unpackaged and ready for use.

Back to school supplies:

- a two-pocket folder to serve as a "take-home" folder
- a pencil case or box
- earbuds (should fit in the pencil case or box)
- a water bottle

*Also, first graders should come to school with two sharpened pencils every day.

Please mark your calendars with some important dates:

- **Tuesday, September 6th** is the first day of school for students.
- **Tuesday, September 13th** is Back to School night for parents.

I am looking forward to a great year!

Sincerely,

Robin Mottershead
