Dear Parents and Guardians,

On Thursday, September 22nd, our school will host a very special visitor – New Jersey’s 1st Legislative District Senator Michael L. Testa, Jr. The Senator will take a tour of our beautiful school building while spending time to meet our faculty, staff, and students. Senator Testa will also read a story to one of our classes. In celebration of our distinguished guest, students should wear red, white, and blue on Thursday, September 22nd.

President Ronald Reagan once said, “Few things could be more central to the life and health of our nation than the education of our children.” At Weymouth Township School District, we proudly prepare students to contribute to a healthy, free nation. Each and every student’s educational experience and their safety are our highest priorities. The involvement of our families, community members, and public officials help us achieve our goals and enrich the lives of all of our students.

On behalf of the Board of Education, I welcome Senator Testa and look forward to his visit to our beautiful school building, our outstanding staff and faculty, and our most precious students.

Yours in service,

A handwritten signature in blue ink, appearing to read "Al Lewis".
