Dear Weymouth Township School District & Community,

It is with humility and a spirit of community that I enter this first year as the Superintendent/Principal of Weymouth Township School District. The Board of Education and I hold a deep commitment to the vision and values of Weymouth Township Schools – a place where, together with our community, our outstanding staff provides an innovative, nurturing, and effective educational environment.

Embracing the rich traditions and culture of Weymouth Township, listening and learning from our school community, and dedicating myself to ethical, principled leadership are paramount to my core beliefs. In the coming weeks, you will receive an invitation to a meet-and-greet event, so we can become better acquainted. I want to hear from you and listen to your perspectives on the current state of the school district and our goals for the future.

A hallmark of my administration will be visibility within the school itself and the community at large. I am looking forward to spending time at town events, getting to know the great families of Weymouth Township, and learning about our local history. If you see me out-and-about, stop and say hello! I hope to see you at the town's famous Fourth of July fireworks!

I am very much looking forward to working together for our students.

Warmly,

A handwritten signature in black ink, appearing to read "Al Lewis".

Al Lewis
Superintendent/Principal
