Dear Parent/Guardian:

Your child's school receives Federal Title I funds to assist students in meeting state achievement standards. This letter lets you know about your right to request information about the qualifications of classroom staff working with your child. A school that receives Title I funds must meet federal regulations related to teacher qualifications defined in The Every Student Succeeds Act (ESSA). ESSA was passed by the U.S. Congress and signed into law on December 10, 2015. The ESSA replaces the No Child Left Behind Act (NCLB) and is the latest reauthorization of the Elementary and Secondary Education Act (ESEA).

Under the ESSA, all schools receiving Title I funds must inform parents of their right to ask schools about the professional qualifications of their child's teachers and paraprofessionals. Our school receives Title I funding and we are happy to share this information with you upon your request.

Weymouth Township School District staff is fully committed to helping your child develop the knowledge and skills needed to succeed in school and beyond.

I encourage you to support your child's education and communicate with your child's teachers. For more information on ESSA, and the role of parents, please visit the United States Department of Education's (USDE) website at <http://www.ed.gov/essa>.

By partnering, families and educators can provide your child with the best education possible.

Sincerely,

Helene Fullmer
Basic Skills Coordinator
