

Weymouth Families,

Happy Fall! Coming up next week we have our Before and After School Care program starting Monday, October 5th. Also Tuesday, October 6th is our annual fire prevention program. We would like to thank specifically the Dorothy Fire Company and all first responders during fire prevention week.

We realize that when you are sending your child off to school you are "certifying" that they are well and able to attend. However, for requirements we may need to substantiate PLEASE use the Oncourse Connect system to certify your child's wellness each school day. Beginning Thursday, October 15th we will begin calling parents who are not completing this required certification and assist them through the process or work to solve any difficulty they may be having in being able to comply with this requirement. If you have any questions or need assistance - please contact us. Thank you for your help in this very important matter.

WTSD Administrative Team
