

Weymouth families,

We made it through the first week! After a summer of intensive researching and planning, we opened school to 98 in-person and 45 remote learners. It was so wonderful to see them!

Obviously, we have some kinks to work out, and returning to school may not feel like normal, at least for awhile. But whatever we do, our goal is to provide a safe and healthy environment for our students. It is going to take everyone working together to make it work.

Please see the attached flyers for Back to School Night and Food Pick-up.

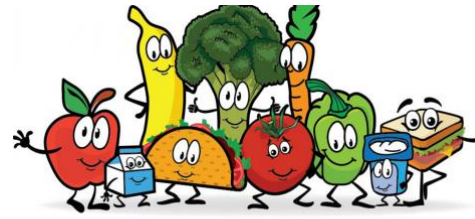

All materials for remote learners will be available for pick-up on Thursdays from 10:00am to 1:00pm. Your child's teacher will let you know if there are materials they will need.

Also, if anyone has any textbooks from last spring that have not been returned please return as soon as possible.

Thank you for your continued support and trust in us.
