

Weymouth Families,

It was a pleasure seeing some new and some familiar faces at our Back to School Night this past Tuesday. One item that was mentioned at Back to School Night was the parent login forms for Oncourse Connect. If you didn't attend in person, those forms were sent home. There is a link on the homepage of the website for parents to use in order to login and complete daily health screenings and more.

We will continue to have our meal and material pickup on Thursdays each week. Classroom materials can be picked up during office hours between 8:30-3:30 and meals can be picked up from 10-12.

Attached, you will find the meal menu for September that we have been provided through Nutriserve. Also, there is a flyer for library card signups as part of the national library card signup month.

Finally, if anyone is interested in before or after school care for this school year and hasn't been in contact with Mrs. Messina, please let the main office know at 609-476-2412.

Have a safe and happy weekend.

September is Library Card Sign-Up Month

With the start of a new school year, and the need for access to online materials greater than ever, be assured that the Atlantic County Library System is available for students and teachers alike with programs and resources that go far beyond books.

A library card provides students of all ages the tools to succeed with access to technology, research and databases, early literacy programs, virtual homework assistance and more. Many may find that a library card is one of the most important school supplies.

Atlantic County library branches also offer free WiFi, mobile printing capability, copiers, scanners and fax machines as well as the use of computers in 30-minute intervals.

All nine branches are now open Monday through Friday, 9:30 AM – 5 PM, with curbside pickup available Monday through Saturday, 10 AM – 4 PM. Patrons are asked to wear facemasks and observe social distancing and recommended health protocols.

To sign up for a library card, residents can visit in-person or go online to obtain a temporary card for digital access only at: <https://atlanticlibrary.org/librarycard>.

Now is the perfect time for your students (and their parents) to explore all that the Atlantic County Library System has to offer.
