Weymouth Township School District acknowledges that parents/guardians are the primary family life educators for their children and we are committed to partnering with you to provide supplementary resources to support you in this role.

Although we strongly encourage families to have their students participate in these essential health topics, we want to acknowledge that *Parents/Guardians do have the option of excluding their child from any portion of sexuality/family life education if it is in conflict with their conscience, morally, or religiously held beliefs.* (NJ Statute Section: 18A:35-4.7)

If you wish to opt your child out of all or some of the Family Life Education lessons, please complete this form and return it to your child’s homeroom teacher before October 1.

Students who are excused will be assigned to a separate classroom for the duration of those identified lessons.
