

Weymouth Township School Off-Site Learning Plan - 6-8 Art

Dear Weymouth Families,

In the event that school is closed due to a public health related issue Weymouth Township Schools will participate in Off-Site Learning Days.

Our goal is for students to continue their learning at home during the days that school will be closed.

- Please have your child visit their Google Classrooms for information about the work they are being asked to complete.
- Students should be engaged in learning for approximately 35 minutes per class.
- Teachers will be available for questions via email and on their Google Classrooms.
- Students must sign in using their Weymouth accounts to access their assignments and to receive credit.
- These documents will be available for download on the school website under District Information on the homepage.
- Students will receive credit for attendance upon completion of each day's assignments. Due dates will be communicated with students by their teachers.

Thank you for learning with your child today and every day!

Course: Art

Teacher: Mrs. Farrell

Email: farrell@weymouthtsd.org

Learning Plan Outline

Activity Title: Artist Biography

Directions: In Google Classroom page under work - click on the link; [Artist Biography Images](#)
View all of the slides in the powerpoint. Choose three artists whose work you like. Send an email with the list of your top three favorite artists and I will assign you an artist to research. If there is an artist that you wish to research who is not on the list please feel free to suggest this in your e-mail.

Notes for students: In the coming weeks you will explore the life and work of an artist. You will use the document posted to do so.

Notes or Extras to Extend Learning: You are encouraged to create your very own unique work of art inspired by what you have learned from your assigned art. You are welcome to use any available materials that you may have in your house.
