

**Weymouth Township School
Media Parental Permission Form**

Student: _____

ID# _____

For the purpose of disseminating information to the public, students in the Weymouth Township School District are occasionally interviewed, photographed or filmed by school officials and/or media outlets as part of district, school, classroom, and extracurricular and/or athletic activities. In this electronic age it is sometimes the case that print media formats are then further distributed electronically via the Internet.

As you are aware, there are potential dangers associated with the posting of personally identifiable information on a web site, since global access to the Internet does not allow us to control who may access such information. These dangers have always existed; however, the Weymouth Township School District does want to celebrate your child and his/her work. The law requires the district to ask for your permission to use information about your child.

Weymouth Township School District will not release any personally identifiable information on the Internet to media outlets, or in school/district publications for public distribution, without prior electronic consent from you as parent or guardian. Personally identifiable information includes student names, photo or image, residential addresses, e-mail addresses, phone numbers and locations and times of class trips.

This form requests permission for using your child's name and image only. The district will not release residential addresses, email addresses, phone numbers, or locations and times of class trips.

Please check one of the following choices:
