District Goals SY 2018 – 2019: FINAL

Curriculum, Instruction, and Assessment:

Develop and support an intellectually rigorous comprehensive system of curriculum, instruction, and assessment to promote each student's academic success and well-being.

- *Curriculum should reflect high expectations for student learning, that align with NJ academic standards, the core values of the school and be culturally responsive.*
- *Instructional practice should be intellectually challenging, recognize students' strengths and personalized.*
- *Effective use of technology in the service of curriculum writing and assessment data that is used to monitor student progress and improve instruction.*
- *Explore instructional paths to meet the needs of our G&T population.*

Finance:

To develop a budget which is educationally sound and fiscally responsible and meets the needs of our learning community.

- *To adapt to the impact of Bill S2 and reductions in State Aid. To find efficiencies wherever possible and appropriate to address the needs of our school community.*
- *Investigate transportation.*
- *Work alongside districts in the Support Our Students cohort.*

Communication:

- *Develop and implement a public awareness program to educate all stakeholders in the Community about funding issues.*
- *Develop activities to encourage members of the community to participate in the school governance process.*
- *The Board is an advocate for the children of the District. Take a pro-active role in advocating for improvements and change as needed within the confines of an educationally sound and fiscally responsible budget.*
- *The District shall create a closed group on Facebook open to parents and residents of Weymouth Township, with the intention of informing the community of developments and events in the school. Postings could range from posted announcements to video recorded Board meetings.*

Overarching:

- *Revise district mission statement.*
